Bookings for stabling at the qualifiers, if applicable, must be made directly with the qualifier venues.
4. The onus is on the owner / athlete to make sure the correct animal / rider combination has qualified.
5. All qualifying competitions should be judged under Article 238.2.3, with the exception of the 4 year old class which will run under special rules and the 7 & 8 year old class which will be run under Article 238.2.2. *However, the Ground Jury has the option to change this article, in the event of inclement weather conditions or other unforeseen circumstances. In addition, SJI reserves the right in agreement with the RDS to clarify or amend the regulations for such qualifiers, and any such changes will come into effect on publication by SJI.
9. The appointment and duties of officials must be in accordance with Article 259N.
10. Should an athlete qualify more than the quota for a category, where the athlete first qualifies in the highest place in the competition on a particular day will determine the qualifying place. An exception to this rule may be permitted in the case of exceptional circumstances and will only be allowed on written request, with the approval of the DHS Show Director and the Chairman of SJI, who will consult with the Chairperson of the relevant sub-committee.
11. All animals that complete clear rounds may be scanned for microchips at the DHS qualifiers to verify identity, passports must also be available for inspection.

The SJI Veterinary Committee may appoint a testing veterinary surgeon to attend all shows holding DHS qualifiers.
13. If the owner has not entered his animal by the closing date of entries for the DHS; the 11th of July, it will automatically be assumed that the owner does not wish to take up the qualifying place, and the next animal in line from the applicable qualifier will be contacted. (It is strongly advised that the owner/s of the next animal in line should ensure to enter online, as a '**reserve**', with the RDS before the close of entries). Qualification of an animal at a qualifier will not mean that it is automatically entered with the RDS. Please note that the DHS closing date of the **11th of July** will be strictly adhered to, and late entries will not be accepted (except in the case of qualifiers after this date). Should a qualified combination not have entered by the 11th of July or for some reason is unable to take their place at the Final, the next in line will be notified on or before the 22nd of July. 15. A horse cannot start in more than one qualifier category for the Dublin Horse Show. It is the responsibility of the owner / agent / athlete to ensure that all animals and athletes are eligible to compete in the relevant qualifying competition.
16. A horse's first qualification will secure its qualification, regardless of further placings at later qualifiers.
17. Should any qualifier fail to provide the number of qualifying places under the rules, such places will be carried forward to the next qualifier within the year. If, at the end of the final qualifier the places have not been filled, the Chairman of SJI and the Chairman of the relevant Sub-Committee, in agreement with the RDS, will have the right to determine how such place should be filled, if at all.

The 'next in line' must place his / her entry with the RDS Equestrian Department by the close of entries on the 11th of July and will be notified should a place become available on or before the 22nd of July. In the event that there is no eligible animal / athlete combination to take up the qualifying place, the quota does not have to be met.

19. If the number of qualifying places available have not been filled by the final qualifier, a draw may take place among the eligible reserve combinations at the preceding qualifiers in order to fill the quota of places. (The draw will be conducted by the RDS Chief Executive in the presence of the Show Director, the Equestrian Manager and the Chairman of the Equestrian Committee). In the event there are not enough eligible reserve combinations the quota does not have to be met.
