

January 2016

Dear Show Organiser

Please find enclosed Health & Safety Pack containing the documented evidence required at shows. We accept this is an additional and time consuming task for shows.

The Health & Safety Committee would like to acknowledge the extra effort and time you as show organisers devote to maintaining Health & Safety at affiliated shows.

In 2016 shows failing to achieve Health & Safety approval will have their authorisation revoked. In this regard, please do not hesitate to contact any of the Regional Safety Officers who are always willing to support and advise you.

Remember sample Risk Assessments and Site Plans are available on the SJI website for you to refer to.

Yours sincerely

TONY HURLEY  
Health & Safety Standing Committee
